<p>You were standing in the wake of devastation You were waiting on the edge of the unknown And with the cataclysm raining down, insides crying save me now</p>	<p>When you were standing in the wake of devastation When you were waiting on the edge of the unknown And with the cataclysm raining down Insides crying "Save me now"</p>

You were there,impossibly alone.

Do you feel cold and lost in desperation  
You build up hope but failure's all you've  
known  
Remember all the sadness and frustration  
And let it go,let it go.

And in the burst of light that blinded every  
angel  
As if the sky had blown the heavens into  
stars  
You felt the gravity of temper grace falling  
into empty space  
No one there to catch you in their arms

Do you feel cold and lost in desperation  
You build up hope but failure's all you've  
known  
Remember all the sadness and frustration  
And let it go,let it go.

Let it go

When you're lost in the rain in Juarez when it's	When you're lost in the rain in Juarez

Easter time, too  
And your gravity fails and negativity don't pull  
you through  
Don't put on any airs when you're down on Rue  
Morgue Avenue  
They got some hungry women there and they  
really make a mess outta you

Now, if you see Saint Annie, please tell her  
thanks a lot  
I cannot move, my fingers are all in a knot  
I don't have the strength to get up and take  
another shot  
And my best friend, my doctor, won't even say  
what it is I've got

Sweet Melinda, the peasants call her the  
goddess of gloom  
She speaks good English and she invites you up  
into her room  
And you're so kind and careful not to go to her  
too soon  
And she takes your voice and leaves you  
howling at the moon

Up on Housing Project Hill, it's either fortune or  
fame  
You must pick one or the other, though neither  
of them are to be what they claim  
If you're lookin' to get silly, you better go back  
to from where you came  
Because the cops don't need you, and man, they  
expect the same

Now, all the authorities, they just stand around  
and boast  
How they blackmailed the sergeant-at-arms  
into leaving his post  
And picking up Angel, who just arrived here  
from the coast  
Who looked so fine at first but left looking just  
like a ghost

I started out on burgundy but soon hit the  
harder stuff  
Everybody said they'd stand behind me when  
the game got rough

Mr. Tambourine Man, play a song for me, I'm not sleepy and there is no place I'm going to. Hey! Mr. Tambourine Man, play a song for me, In the jingle jangle morning I'll come followin' you.</p>

My senses have been stripped  
My hands can't feel to grip  
My toes too numb to step  
Wait only for my boot heels to be wandering  
I'm ready to go anywhere, I'm ready for to fade  
Into my own parade  
Cast your dancing spell my way, I promise to go  
under it

Hey, Mr. Tambourine Man, play a song for me  
I'm not sleepy and there is no place I'm going to  
Hey, Mr. Tambourine Man, play a song for me  
In the jingle jangle morning I'll come following  
you

Though you might hear laughing, spinning,  
swinging madly across the sun  
It's not aimed at anyone  
It's just escaping on the run  
And but for the sky there are no fences facing  
And if you hear vague traces of skipping reels  
of rhyme  
To your tambourine in time  
It's just a ragged clown behind  
I wouldn't pay it any mind  
It's just a shadow you're seeing that he's  
chasing

Hey, Mr. Tambourine Man, play a song for me  
I'm not sleepy and there is no place I'm going to  
Hey, Mr. Tambourine Man, play a song for me  
In the jingle jangle morning I'll come following  
you

And take me disappearing through the smoke  
rings of my mind  
Down the foggy ruins of time  
Far past the frozen leaves  
The haunted frightened trees  
Out to the windy beach  
Far from the twisted reach of crazy sorrow  
Yes, to dance beneath the diamond sky  
With one hand waving free  
Silhouetted by the sea  
Circled by the circus sands  
With all memory and fate  
Driven deep beneath the waves  
Let me forget about today until tomorrow

Take me on a trip upon your magic swirlin'  
ship,  
My senses have been stripped, my hands can't  
feel to grip,  
My toes too numb to step, wait only for my boot  
heels  
To be wanderin'.  
I'm ready to go anywhere, I'm ready for to fade  
Into my own parade, cast your dancing spell my  
way,  
I promise to go under it.

to.

10160 - "Somewhere Only We Know" by Keane

LyricFind	Claude
-----------	--------

I walked across an empty land

I knew the pathway like the back of my hand

I felt the earth beneath my feet

Sat by the river, and it made me complete

Oh, simple thing, where have you gone?  
I'm getting old, and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired, and I need somewhere to  
begin

I came across a fallen tree

I felt the branches of it looking at me

Is this the place we used to love?

Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?  
I'm getting old, and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired, and I need somewhere to  
begin

And if you have a minute, why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go  
Somewhere only we know?  
Somewhere only we know

Oh, simple thing, where have you gone?  
I'm getting old, and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired, and I need somewhere to

LyricFind	Claude
Beauty queen of only eighteen She had some trouble with herself	Beauty queen of only eighteen She had some trouble with herself

He was always there to help her  
She always belonged to someone else  
I drove for miles and miles  
And wound up at your door  
I've had you so many times  
But somehow I want more

I don't mind spendin' everyday  
Out on your corner in the pourin' rain  
Look for the girl with the broken smile  
Ask her if she wants to stay a while

And she will be loved  
And she will be loved

Tap on my window, knock on my door  
I want to make you feel beautiful  
I know I tend to get so insecure  
Doesn't matter anymore  
It's not always rainbows and butterflies  
It's compromise that moves us along, yeah  
My heart is full, and my door's always open  
You come anytime you want, yeah

I don't mind spendin' everyday  
Out on your corner in the pourin' rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile

And she will be loved

I know where you hide alone in your car  
Know all of the things that make you who you  
are  
I know that goodbye means nothing at all  
Comes back and makes me catch her every time  
she falls

Forfeit the game before somebody else	Forfeit the game,

Takes you out of the frame and puts your name  
to shame

Cover up your face, you can't run the race

The pace is too fast, you just won't last

You love the way I look at you

While taking pleasure in the awful things you  
put me through

You take away if I give in  
My life, my pride is broken

You like to think you're never wrong  
(You live what you've learned)

You want someone to hurt like you

Every move you make, and every vow you  
break  
Every smile you fake, every claim you stake, I'll  
be watching you

Since you've gone I've been lost without a trace  
I dream at night, I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace  
I keep crying, "Baby, baby, please"

-----------	--------

It starts with one thing  
I don't know why  
It doesn't even matter how hard you try  
Keep that in mind  
I designed this rhyme  
To explain in due time  
All I know  
Time is a valuable thing  
Watch it fly by as the pendulum swings  
Watch it count down to the end of the day  
The clock ticks life away

It's so unreal  
Didn't look out below  
Watch the time go right out the window  
Trying to hold on, didn't even know  
I wasted it all just to watch you go  
I kept everything inside  
And even though I tried, it all fell apart  
What it meant to me  
Will eventually be a memory of a time when

I tried so hard  
And got so far  
But in the end  
It doesn't even matter  
I had to fall  
To lose it all  
But in the end  
It doesn't even matter

One thing, I don't know why  
It doesn't even matter how hard you try

I designed this rhyme  
To remind myself how  
I tried so hard  
In spite of the way you were mocking me  
Acting like I was part of your property  
Remembering all the times you fought with me  
I'm surprised it got so far  
Things aren't the way they were before  
You wouldn't even recognize me anymore  
Not that you knew me back then

10391 - "From the Bottom of My Broken Heart" by Britney Spears

LyricFind	Claude
<p>Never look back, we said</p> <p>How was I to know I'd miss you so? Loneliness up ahead, emptiness behind</p> <p>Where do I go?</p> <p>And you didn't hear All my joy through my tears All my hopes through my fears Did you now, still I miss you somehow</p> <p>From the bottom of my broken heart There's just a thing or two I'd like you to know</p>	<p>Never look back, we said, How was I to know I'd miss you so? Loneliness up ahead, emptiness behind, Where do I go?</p> <p>And you didn't hear All my joy through my tears, All my hopes through my fears, Did you now, still I miss you somehow,</p> <p>From the bottom of my broken heart, There's just a thing or two I'd like you to know,</p>

You were my first love  
You were my true love  
From the first kisses to the very last rose  
From the bottom of my broken heart  
Even though time may find me somebody new  
You were my real love, I never knew love  
'Til there was you  
From the bottom of my broken heart

Baby, I said  
Please stay, give our love a chance for one more day

We could have worked things out  
Taking time is what love's all about

But you put a dart through my dreams  
Through my heart  
And I'm back where I started again  
Never thought it would end

From the bottom of my broken heart  
There's just a thing or two I'd like you to know  
You were my first love,  
You were my true love  
From the first kisses to the very last rose  
From the bottom of my broken heart  
Even though time may find me somebody new  
You were my real love, I never knew love  
'Til there was you  
From the bottom of my broken heart

You promised yourself  
But to somebody else  
And you made it so perfectly clear  
Still I wish you were here now

From the bottom of my broken heart  
There's just a thing or two I'd like you to know  
You were my first love  
You were my true love  
From the first kisses to the very last rose

From the bottom of my broken heart  
Even though time may find me somebody new  
You were my real love, I never knew love  
'Til there was you  
From the bottom of my broken heart

You were my first love, you were my true love,

From the first kisses to the very last rose,  
From the bottom of my broken heart,  
Even through time may find me somebody new,  
You were my real love, I never knew love,  
'Til there was you,  
From the bottom of my broken heart.

"Baby," I said,  
"Please stay.  
Give our love a chance for one more day."  
We could have worked things out,  
Taking time is what love's all about.

But you put a dart  
Through my dreams, through my heart,  
And I'm back where I started again,  
Never thought it would end.

From the bottom of my broken heart,  
There's just a thing or two I'd like you to know,  
You were my first love, you were my true love,

From the first kisses to the very last rose,  
From the bottom of my broken heart,  
Even through time may find me somebody new,  
You were my real love, I never knew love,  
'Til there was you,  
From the bottom of my broken heart.

You promised yourself  
But to somebody else,  
And you made it so perfectly clear,  
Still I wish you were here.

Never look back, we said  
How was I to know I'd miss you so?

<p>Though I've tried before to tell her Of the feelings I have for her in my heart Every time that I come near her I just lose my nerve as I've done from the start</p> <p>Every little thing she does is magic Everything she do just turns me on Even though my life before was tragic Now I know my love for her goes on</p> <p>Do I have to tell the story</p>	<p>Though I've tried before to tell her Of the feelings I have for her in my heart Every time that I come near her I just lose my nerve as I've done from the start</p> <p>Every little thing she does is magic Everything she do just turns me on Even though my life before was tragic Now I know my love for her goes on</p> <p>Do I have to tell the story</p>

Of a thousand rainy days since we first met?  
It's a big enough umbrella  
But it's always me that ends up getting wet

Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on

I resolved to call her up a thousand times a day  
And ask her if she'll marry me in some old  
fashioned way  
But my silent fears have gripped me long  
before I reach the phone  
Long before my tongue has tripped me, must I  
always be alone?

Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on  
Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic  
Now I know my love for her goes on

Oh yeah, oh yeah, oh yeah  
Every little thing, every little thing  
Every little thing, every little thing  
Every little, every little, every little  
Every little thing she does  
Every little thing she does  
Every little thing she does  
Every little thing she does  
Thing she does is magic

Ee-oh, ee-oh, ee-oh, ee-oh  
Ee-oh, ee-oh, ee-oh, ee-oh  
Ee-oh, ee-oh, ee-oh, ee-oh  
Ee-oh, ee-oh, ee-oh, ee-oh

Every little thing  
Every little thing  
Every little thing she do is  
Magic, magic, magic  
Magic, magic, magic

Hey, oh, yo, oh  
Ee-oh

Of a thousand rainy days since we first met  
It's a big enough umbrella  
But it's always me that ends up getting wet

Every little thing she does is magic  
Everything she do just turns me on  
Even though my life before was tragic

Now I know my love for her goes on

Every little thing  
Every little thing  
Every little thing she does  
Every little thing she does is magic.

Do I have to tell the story  
Of a thousand rainy days since we first met?  
It's a big enough umbrella  
But it's always me that ends up getting wet

10529 - "Englishman in New York" by Sting

LyricFind	Claude
-----------	--------

I don't drink coffee, I take tea, my dear  
I like my toast done on one side  
And you can hear it in my accent when I talk  
I'm an Englishman in New York

See me walking down Fifth Avenue  
A walking cane here at my side  
I take it everywhere I walk  
I'm an Englishman in New York

Oh, I'm an alien, I'm a legal alien  
I'm an Englishman in New York

Oh, I'm an alien, I'm a legal alien  
I'm an Englishman in New York

If "manners maketh man" as someone said  
He's the hero of the day  
It takes a man to suffer ignorance and smile  
Be yourself no matter what they say

Oh, I'm an alien, I'm a legal alien  
I'm an Englishman in New York

Oh, I'm an alien, I'm a legal alien  
I'm an Englishman in New York

Modesty, propriety can lead to notoriety  
You could end up as the only one  
Gentleness, sobriety are rare in this society  
At night a candle's brighter than the sun

Takes more than combat gear to make a man  
Takes more than a license for a gun  
Confront your enemies, avoid them when you  
can  
A gentleman will walk but never run

If "manners maketh man" as someone said  
He's the hero of the day  
It takes a man to suffer ignorance and smile  
Be yourself no matter what they say  
Be yourself no matter what they say  
Be yourself no matter what they say

10581 - "You Are Not Alone" by Michael Jackson

LyricFind	Claude
-----------	--------

Another day has gone  
I'm still all alone  
How could this be  
You're not here with me  
You never said goodbye  
Someone tell me why  
Did you have to go  
And leave my world so cold

Everyday I sit and ask myself  
How did love slip away  
Something whispers in my ear and says  
That you are not alone  
For I am here with you  
Though you're far away  
I am here to stay

But you are not alone  
I am here with you  
Though we're far apart  
You're always in my heart  
You are not alone

Alone, alone  
Why, alone

Just the other night  
I thought I heard you cry  
Asking me to come  
And hold you in my arms  
I can hear your prayers  
Your burdens I will bear  
But first I need your hand  
Then forever can begin

Everyday I sit and ask myself  
How did love slip away  
Something whispers in my ear and says  
That you are not alone  
For I am here with you  
Though you're far away  
I am here to stay

But you are not alone  
And I am here with you  
Though we're far apart  
You're always in my heart  
For you are not alone

Another day has gone  
I'm still all alone  
How could this be  
You're not here with me  
You never said goodbye  
Someone tell me why  
Did you have to go

But still your secrets, I will keep  
You took for granted all the times, I never let you down

LyricFind	Claude
<p>When the rain is blowing in your face And the whole world is on your case I could offer you a warm embrace</p>	<p>When the rain Is blowing in your face And the whole world</p>

To make you feel my love

When the evening shadows and the stars appear  
And there is no one there to dry your tears  
I could hold you for a million years  
To make you feel my love

I know you haven't made your mind up yet  
But I will never do you wrong  
I've known it from the moment that we met  
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
No, there's nothing that I wouldn't do  
To make you feel my love

The storms are raging on the rolling sea  
And on the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothing like me yet

I could make you happy, make your dreams  
come true  
Nothing that I wouldn't do  
Go to the ends of the Earth for you  
To make you feel my love  
To make you feel my love

Is on your case  
I could offer you  
A warm embrace  
To make you feel my love

When the evening shadows  
And the stars appear  
And there is no one there  
To dry your tears  
I could hold you  
For a million years

We always take my car 'cause it's never been beat

None of the guys go steady 'cause it wouldn't be  
right  
To leave their best girl home now on Saturday night

I get around (**get** around round round I get around)  
From town to town (get around round round I get

the same old strip  
I gotta find a new place where the kids are  
hip  
My buddies and me are getting real well  
known  
Yeah, the bad guys know us and they leave  
us alone

I get around  
Get around round round I get around

I'm a real cool head  
Get around round round I get around  
I'm making real good bread

Round round get around  
I get around  
Yeah  
Get around round round I get around

Sittin' downtown in a railway station  
One toke over the line

Whooooo do you love, I hope it's me  
I've bin a changin', as you can plainly see  
I felt the joy and I learned about the pain that  
my momma said  
If I should choose to make a part of me, surely  
strike me dead  
Now I'm one toke over the line, sweet Jesus  
One toke over the line  
Sittin' downtown in a railway station  
One toke over the line  
I'm waitin' for the train that goes home sweet  
Mary  
Hopin' that the train is on time  
Sittin' downtown in a railway station  
One toke over the line

I bin away a country mile  
Now I'm returnin' showin' off a smile  
I met all the girls and loved myself a few  
Ended by surprise like everything else I've  
been through  
It opened up my eyes and now I'm  
One toke over the line sweet Jesus  
One toke over the line  
Sittin' downtown in a railway station  
Don't you just know I waitin' for the train that  
goes home sweet Mary  
Hopin' that the train is on time  
Sittin' downtown in a railway station  
One toke over the line

Don't you just know I waitin' for the train that  
goes home sweet Mary

One toke over the line

I want to be

One toke over the line  
Don't you just know I waitin' for the train that

Mary  
Hopin' that the train is on time  
Sittin' downtown in a railway station  
One toke over the line

Who do you think I ran into the other day  
Sittin' down by the railway track  
A little ol' guy in a beat-up hat  
Singin' a song 'One Toke Over the Line'

He said 'Son if you ever raise a ruckus again  
I'm gonna cut off your head'  
I said 'One toke over the line, sweet Jesus'  
One toke over the line  
Sittin' downtown in a railway station

face  
A thousand lies have made me colder  
And I don't think I can look at this the same  
  
But all the miles that separate  
They disappear now when I'm dreamin' of your face  
  
I'm here without you baby  
But you're still on my lonely mind  
I think about you baby and I dream about you all the time  
I'm here without you baby  
But you're still with me in my dreams  
And tonight it's only you and me, yeah  
  
The miles just keep rollin'

I've heard this life is overrated

crazy  
Maybe, maybe

But I don't care what they say  
I'm in love with you  
They try to pull me away, but they don't know  
the truth  
My heart's crippled by the vein that I keep on  
closing

You cut me open and I

Keep bleeding, keep, keep bleeding love

I keep bleeding, I keep, keep bleeding love

Keep bleeding, keep, keep bleeding love

You cut me open, mm, mm

And it's draining all of me  
Though they find it hard to believe  
I'll be wearing these scars for everyone to see

I don't care what they say  
I'm in love with you  
They try to pull me away, but they don't know  
the truth  
My heart's crippled by the vein that I keep on  
closing

Oh, you cut me open and I

Keep bleeding, keep, keep bleeding love

I keep bleeding, I keep, keep bleeding love

Keep bleeding, keep, keep bleeding love

Oh, you cut me open and I  
Keep bleeding, keep, keep bleeding love

I keep bleeding, I keep, keep bleeding love  
Keep bleeding, keep, keep bleeding love  
I keep  
Oh, you cut me open and I

Yet everyone around me  
Thinks that I'm going crazy, maybe, maybe

But I don't care what they say  
I'm in love with you  
They try to pull me away  
But they don't know the truth  
My heart's crippled by the vein  
That I keep on closing

You cut me open and I

Keep bleeding  
Keep, keep bleeding love  
I keep bleeding  
I keep, keep bleeding love  
Keep bleeding  
Keep, keep bleeding love  
You cut me open

And it's draining all of me  
Oh they find it hard to believe  
I'll be wearing these scars  
For everyone to see

I don't care what they say

But they don't know the truth

11205 - "Unstoppable" by Sia

-----------	--------

All smiles, I know what it takes to fool this town  
I'll do it 'til the sun goes down and all through  
the nighttime  
Oh yeah, oh yeah, I'll tell you what you wanna  
hear  
Keep my sunglasses on while I shed a tear  
It's never the right time, yeah, yeah

I put my armor on, show you how strong I am  
I put my armor on, I'll show you that I am

I'm unstoppable  
I'm a Porsche with no brakes  
I'm invincible  
And, I win every single game  
I'm so powerful  
I don't need batteries to play  
I'm so confident, yeah, I'm unstoppable today  
Unstoppable today, unstoppable today  
Unstoppable today, yeah, I'm unstoppable  
today

Break down, only alone I will cry out loud  
You'll never see what's hiding out  
Hiding out deep down, yeah, yeah  
I know, I've heard that to let your feelings show  
Is the only way to make friendships grow  
But I'm too afraid now, yeah, yeah

Think retail therapy my new addiction

Whoever said money can't solve your problems  
Must not have had enough money to solve 'em  
They say, "Which one?" I say, "Nah, I want all of 'em"

Happiness is the same price as red bottoms

My smile is beamin', my skin is gleamin'  
The way it shine, I know you've seen it (you've seen it)

I bought a crib just for the closet  
Both his and hers, I want it, I got it, yeah

I want it, I got it, I want it, I got it  
I want it, I got it, I want it, I got it (baby)  
You like my hair? Gee, thanks, just bought it (oh yeah)  
I see it, I like it, I want it, I got it (yeah)

Yeah, my receipts, be lookin' like phone numbers

If it ain't money, then wrong number  
Black card is my business card  
The way it be settin' the tone for me

I don't mean to brag, but I be like, "Put it in the bag," yeah

When you see them racks, they stacked up like my ass, yeah

Shoot, go from the store to the booth  
Make it all back in one loop, give me the loot

Never mind, I got the juice  
Nothing but net when we shoot  
Look at my neck, look at my jet  
Ain't got enough money to pay me respect  
Ain't no budget when I'm on the set  
If I like it, then that's what I get, yeah

Because since there's no more you, there's no more anniversary  
I'm so fed up with my thoughts of you and your memory  
And now every song reminds me of what used to be

That's the reason I'm

So why can't I turn off the radio? Oh-oh-oh

(Leave me alone)  
Leave me alone  
(Stupid love songs)  
Hey, don't make me think about her smile  
Or having my first child  
I'm letting go  
Turning off the radio

It's just one of those days, feeling like a freight train

First one to complain leaves with a bloodstain

Damn right, I'm a maniac

Next in line to get fucked up

'Cause right now I'm dangerous

<p>Story of my life, searching for the right But it keeps avoiding me Sorrow in my soul 'cause it seems that wrong Really loves my company He's more than a man and this is more than love The reason that the sky is blue The clouds are rolling in because I'm gone again And to him, I just can't be true</p> <p>And I know that he knows I'm unfaithful And it kills him inside To know that I am happy with some other guy I can see him dying</p> <p>I don't wanna do this anymore I don't wanna be the reason why</p>	<p>Story of my life Searching for the right But it keeps avoiding me Sorrow in my soul 'Cause it seems that wrong Really loves my company He's more than a man And this is more than love The reason that the sky is blue The clouds are rolling in Because I'm gone again And to him, I just can't be true</p> <p>And I know that he knows I'm unfaithful And it kills him inside To know that I am happy with some other guy I can see him dying</p> <p>I don't wanna do this anymore I don't wanna be the reason why</p>

Every time I walk out the door  
I see him die a little more inside  
I don't wanna hurt him anymore  
I don't wanna take away his life  
I don't wanna be a murderer

I feel it in the air as I'm doin' my hair  
Preparing for another date  
A kiss upon my cheek as he reluctantly  
Asks if I'm gonna be out late  
I say I won't be long, just hanging with the girls  
A lie I didn't have to tell  
Because we both know where I'm about to go  
And we know it very well

'Cause I know that he knows I'm unfaithful  
And it kills him inside  
To know that I am happy with some other guy  
I can see him dying

I don't wanna do this anymore  
I don't wanna be the reason why  
Every time I walk out the door  
I see him die a little more inside  
I don't wanna hurt him anymore  
I don't wanna take away his life  
I don't wanna be a murderer

Our love, his trust  
I might as well take a gun and put it to his head  
Get it over with  
I don't wanna do this anymore  
Whoa, anymore

And I don't wanna do this anymore  
I don't wanna be the reason why  
And every time I walk out the door  
I see him die a little more inside  
And I don't wanna hurt him anymore  
I don't wanna take away his life  
I don't wanna be a murderer

A murderer  
No, no, no  
Yeah, yeah

Every time I walk out the door  
I see him die a little more inside  
I don't wanna hurt him anymore  
I don't wanna take away his life  
I don't wanna be...a murderer

I feel it in the air  
As I'm doing my hair  
Preparing for another date  
A kiss upon my cheek  
As he reluctantly  
Asks if I'm gonna be out late  
I say I won't be long  
Just hanging with the girls  
A lie I didn't have to tell

Where I'm about to go

'Cause I know that he knows I'm unfaithful

I don't wanna do this  
Anymore, anymore

And I don't wanna do this anymore  
I don't wanna be the reason why  
And every time I walk out the door  
I see him die a little more inside  
And I don't wanna hurt him anymore

11452 - "Step into Christmas" by Elton John

LyricFind	Claude
Welcome to my Christmas song	Welcome to my Christmas song

I'd like to thank you for the year  
So I'm sending you this Christmas card  
To say, "It's nice to have you here"

I'd like to sing about all the things  
Your eyes and mind can see  
So hop aboard the turntable  
Oh, step into Christmas with me, yeah

Step into Christmas, let's join together  
We can watch the snow fall forever and ever  
Eat, drink and be merry, come along with me  
Step into Christmas, the admission's free

Take care in all you do next year  
And keep smiling through the days  
If we can help to entertain you  
Oh, we will find the ways

So merry Christmas, one and all  
There's no place I'd rather be  
Than asking you if you'd oblige  
Stepping into Christmas with me

Step into Christmas, let's join together

The world makes all kinds of rules for love  
I say you gotta let it do what it does

I don't want just another hug and a kiss  
goodnight  
Catchin' up calls and a date sometimes  
I love that we're rebels, and we still believe  
We're the kind of crazy people wish that they  
could be, yeah

Oh, and I know we're crazy, yeah

But I don't want "good" and I don't want "good  
enough"  
I want "can't sleep, can't breathe without your  
love"  
Front porch and one more kiss, it doesn't make

Who cares if you're all I think about,  
I've searched the world and I know now,  
It ain't right if you ain't lost your mind  
Yeah, I don't want easy, I want crazy  
You with me baby? Let's be crazy

Who cares if you're all I think about,  
I've searched the world and I know now,  
It ain't right if you ain't lost your mind  
Yeah, I don't want easy, I want crazy

Yeah, look at us baby, tonight the midnight  
rules are breaking  
There's no such thing as wild enough,  
And maybe we just think too much  
Who needs to play it safe in love?  
Let's be crazy!

Na na na na oh na na na oh

Who cares if we're crazy? We gotta be crazy  
I know that we're crazy, so let's be crazy  
Yeah...

Sons of bankers, sons of lawyers  
Turn around and say good morning to the night  
For unless they see the sky  
But they can't and that is why  
They know not if it's dark outside or light

This Broadway's got  
It's got a lot of songs to sing  
If I knew the tunes I might join in  
I'll go my way alone  
Grow my own, my own seeds shall be sown, in  
New York City

Subway's no way for a good man to go down  
Rich man can ride and the hobo he can drown  
And I thank the Lord for the people I have  
found  
I thank the Lord for the people I have found

While Mona Lisas and Mad Hatters

The phone rings in the middle of the night  
My father yells what you gonna do with your life

Oh daddy dear you know you're still number one

But girls they want to have fun

Oh girls just want to have

That's all they really want

Some fun

When the working day is done

Girls - they want to have fun

Oh girls just want to have fun

Some boys take a beautiful girl

And hide her away from the rest of the world

I want to be the one to walk in the sun

Oh girls they want to have fun

Oh girls just want to have

That's all they really want

Some fun

When the working day is done

Girls - they want to have fun

Oh girls just want to have fun,

They want to have fun,

They want to have fun...

You hear my voice, you hear that sound  
Like thunder, gonna shake the ground  
You held me down, but I got up  
Get ready 'cause I've had enough  
I see it all, I see it now

I got the eye of the tiger, a fighter, dancing  
through the fire  
'Cause I am a champion, and you're gonna hear  
me roar  
Louder, louder than a lion  
'Cause I am a champion, and you're gonna hear  
me roar

Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
You're gonna hear me roar

Oh oh oh oh oh oh oh  
You'll hear me roar  
Oh oh oh oh oh oh oh  
You're gonna hear me roar...

Roar-or, roar-or, roar-or

<p>Oh-oh-oh-oh-oh  Oh-oh-oh-oh-oh (yeah)  Oh-oh-oh-oh-oh  You're gonna hear me roar</p> <p>Oh-oh-oh-oh-oh  Oh-oh-oh-oh-oh (you'll hear me roar)  Oh-oh-oh-oh-oh  You're gonna hear me roar</p>

<p>Shine bright like a diamond Shine bright like a diamond</p>	<p>Shine bright like a diamond Shine bright like a diamond</p>

Find light in the beautiful sea, I choose to be  
happy  
You and I, you and I, we're like diamonds in the  
sky  
You're a shooting star I see, a vision of ecstasy  
When you hold me, I'm alive  
We're like diamonds in the sky

I knew that we'd become one right away  
Oh, right away  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright tonight  
You and I  
We're beautiful like diamonds in the sky  
Eye to eye  
So alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond

Feel the warmth, we'll never die

<p>Lying in my bed I hear the clock tick  And think of you  Caught up in circles  Confusion is nothing new  Flashback, warm nights  Almost left behind  Suitcases of memories  Time after</p>	<p>Lying in my bed I hear the clock tick,  And think of you  Caught up in circles confusion--  Is nothing new  Flashback--warm nights--  Almost left behind  Suitcases of memories,  Time after--</p>

Sometimes you picture me  
I'm walking too far ahead  
You're calling to me, I can't hear  
What you've said  
Then you say, go slow  
I fall behind  
The second hand unwinds

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I will be waiting  
Time after time

After my picture fades and darkness has  
Turned to gray  
Watching through windows  
You're wondering if I'm okay  
Secrets stolen from deep inside  
The drum beats out of time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

You said go slow  
I fall behind  
The second hand unwinds

If you're lost you can look and you will find me

Through His love our hearts can feel All the grief they bear They must hear the words of life Only we can share</p> <p>People need the Lord, people need the Lord At the end of broken dreams, He's the open door People need the Lord, people need the Lord When will we realize that we must give our lives?
